Trieste, 08 April 2024

Dear Jing YANG,

I have pleasure in inviting you to participate in the following ICTP activity:

**Youth in High Dimensions: Recent Progress in Machine Learning, High-Dimensional Statistics and Inference**

to be held at the Abdus Salam International Centre for Theoretical Physics (ICTP) in Trieste **from 20 May 2024 to 24 May 2024**.

You are also invited to present your poster entitled "Higher-dimensional soliton structures of a nonautonomous partially nonlocal coupled Gross–Pitaevskii equation under the external potential". Further information on the poster session will be sent separately by e-mail.

It is understood that all expenses involved in your visit to the Centre will be covered by your own sources.

- Health insurance coverage is mandatory in Italy and you are requested to bring your policy with you. In case that you are national of a developing country you will immediately, upon your arrival at the ICTP, be enrolled in an international health insurance scheme (providing you are under the age of 75) for the duration of your visit.

The ICTP reserves the right to photograph or perform video recording of all events, in which you may inadvertently or purposefully be photographed or filmed, and to make them public.

**Please complete the online visit confirmation/accommodation form as soon as possible since no arrangements can be made for you until this form has been completed. Without your confirmation we understand that you do not wish to take advantage of this offer.**

If you are unable to accept this offer, or should you have to withdraw your participation at any time, we ask you to kindly notify us promptly, so that your place may be offered to another applicant.

We hope that we shall have the pleasure of welcoming you here.

Yours sincerely,

Jean Barbier
